

IEEE REGION SIX PAPER CONTEST RULES

Summary

1. Oral Presentation

The contestant should be advised to aim toward completing the oral presentation in 15 minutes. A warning will be flashed at the end of 13 minutes. A total of 20 minutes, including a discussion of the paper, will be allowed. After 20 minutes, the presentation and discussion will be terminated.

2. Length of Written Presentation

A maximum of 15 pages will be allowed for the written presentation. These 15 pages will be typewritten and double-spaced. The title page, table of contents, and appendices will not be included in the 15-page limit. (See attached sheet for typing and format details.) Appendices are not to be used as artificial extensions of paper length.

3. Assistance and Acknowledgments

The student contestant is to include on a separate page a statement of assistance of any type received in preparing the paper. This page will not be included in the 15 pages allowed for the paper.
