SPECIAL STUDIES REQUEST

I would like to participate in a special studies activity in ECE _____ (4970, 4990) in the subject of:

________________________________________________________________________

________________________________________________________________________

________________________________________________________________________

Credit hours: ________________
Semester: ________________
Year: ________________

Credit hours are to be determined by the instructor. No more than four (4) total hours of special studies credit may be counted toward the B.S. degree.

Student signature: ________________
Student name: ________________
Student ID: ________________
Date: ________________

I agree to provide supervision for this activity. This is a special project of interest to both the student and myself, and will not include the material of any class taught by the Department of Computer and Electrical Engineering.
