FULFILLMENT OF PROFICIENCY REQUIREMENT
ELECTRICAL AND COMPUTER ENGINEERING DEPARTMENT

Name_____ **Date**_____

Previous degree_____ **Date of previous degree**_____

University from which previous degree was earned_____

Instructions to the student:

1. You must satisfy both Requirements 1 and 2, and **either** 3 or 4 (but not both).
2. You may satisfy each of these in any one of the following ways, as indicated in the table below:
   a. By holding a BSEE or BSCE degree from an accredited school;
   b. By completing with a B or better one of the undergraduate courses listed;
   c. By completing with a B or better one of the graduate courses listed; or
   d. By passing all of the exams in one of the undergraduate or graduate courses listed below with an average grade of B or better.
3. For method a, simply fill out the top of this form and circle 2a above.
4. For method b and c, simply list the courses taken, when taken, and the grade. Attach a transcript showing that the courses were taken.
5. For method d, make arrangements through the Graduate Secretary.

	Requirement	B. Take undergraduate course			C. Take graduate course		
		Course	When Taken	Grade	Course	When taken	Grade
1	Circuits	ECE 2240			ECE 5710/6710 or 5720/6720		
2	Electronics	ECE 2280 or 3110			ECE 5201, 5202, 5710/6710, or 5720/6720		
3	EM Fields	ECE 3300			ECE 5320/6322, 5324, or 6310		
4	Systems	ECE 3500 or 3510			ECE 5510, 5520, or 5530/6530
