# What are students saying?

"I enjoyed the different academic perspectives on assignments, and the teaching philosophies of the professors. **They placed an emphasis on processing and applying the curriculum to our own lives and environments.**

I was moved by the welcoming arms of the UAC student body and student ambassadors. They were super helpful and kind when it came to navigating Korea."

**Jack Rogers**

*(BS Accounting/BA International Studies '23)*

**"Studying at the U Asia Campus, while still attending classes in my native language, was an experience that was both life-changing and educational.** I learned more about myself, my connection to my community, and cultures outside of my own than I had expected, which really helped me grow as a person."

**Bailey Butler**

*(BS Communication '20)*

"Coming from the Salt Lake City Campus in Utah, I was used to huge classes and lots of different cultures.

**When I came to UAC I was pleasantly surprised by the diversity and foreign language opportunities. In addition, I fell in love with the smaller classes and kind staff members."**

**Lillianna Martinescu**

*(BA Strategic Communication '24)*

# Academics

## 9 Majors

Accounting  
Communication  
Computer Engineering  
Electrical Engineering  
Games  
Information Systems  
Psychology  
Urban Ecology  
Film & Media Arts

## 7 Minors

Strategic Communication  
Documentary Studies  
Leadership Studies  
Psychology  
Urban Ecology  
Games  
Writing & Rhetoric

## 1 Masters Program

Communication

# Spring 2024 Courses (for Engineering majors)

**ART 1020:** Non-major Basic Drawing

**BCOR 3020:** Business Fundamentals - Finance

**CHEM 1210:** General Chemistry I

**CHEM 1215:** General Chemistry Lab I

**CHEM 1220:** General Chemistry II

**COMM 1020:** Principles of Public Speaking

**COMP 1010:** Programming for All 1

**CS 1400:** Introduction to Computer Programming

**CS 1410:** Introduction to Object-Oriented Programming

**CS 2100:** Discrete Structures

**CS 2420:** Introduction to Algorithms & Data Structures

**EAE 1010:** Survey of Games

**EAE 1050:** Digital Content Creation

**ECE 1050:** Matlab for ECE Design

**ECE 1240:** Circuits and Systems: Introduction

**ECE 1245:** Circuits and Systems Lab: Introduction

**ECE 1900:** Introduction to ECE

**ECE 2240:** Circuits and Systems: Linear

**ECE 3030:** Technical Communications and Writing for Engineers

**ECE 3530:** Engineering Probability and Statistics

**ECE 3700:** Fundamentals of Digital System Design

**ECE 3970:** Undergraduate Research in ECE

**HONOR 2211:** Writing In Honors

**MATH 1310:** Engineering Calculus I

**MATH 1320:** Engineering Calculus II

**MATH 2250:** Differential Equations and Linear Algebra

**MATH 3140:** Vector Calculus and Partial Differential Equations for Engineers

**PHYS 2220:** Physics for Scientists and Engineers II

**PSY 3000:** Statistical Methods in Psychology

**WRTG 2010:** Intermediate Writing

**WRTG 3015:** Professional Writing

# Fall 2023 Courses (for Engineering majors)

**ART 1020:** Non-major Basic Drawing

**BCOR 3020:** Business Fundamentals - Finance

**CHEM 1210:** General Chemistry I

**CHEM 1220:** General Chemistry II

**COMM 1020:** Principles of Public Speaking

**COMP 1010:** Programming for All 1

**CS 1400:** Introduction to Computer Programming

**CS 1410:** Introduction to Object-Oriented Programming

**CS 2420:** Introduction to Algorithms & Data Structures

**CS 3500:** Software Practice

**EAE 1010:** Survey of Games

**ECE 1050:** Matlab for ECE Design

**ECE 1240:** Circuits and Systems: Introduction

**ECE 1245:** Circuits and Systems Lab: Introduction

**ECE 1900:** Introduction to ECE

**ECE 2280:** Circuits and Systems: Active

**ECE 2285:** Circuits and Systems Lab: Active

**ECE 3300:** Fundamentals of Electromagnetics

**ECE 3305:** Fundamentals of Electromagnetics Lab

**ECE 3530:** Engineering Probability and Statistics

**ECE 3810:** Computer Organization

**ECE 3970:** Undergraduate Research in ECE

**LEAP 1510:** Social and Ethical Implications of Engineering

**MATH 1310:** Engineering Calculus I

**MATH 1320:** Engineering Calculus II

**MATH 2250:** Differential Equations and Linear Algebra

**MATH 3140:** Vector Calculus and Partial Differential Equations for Engineers

**PHYS 2210:** Physics for Scientists and Engineers I

**PSY 3000:** Statistical Methods in Psychology

**WRTG 2010:** Intermediate Writing

|                                 |                    |
|---------------------------------|--------------------|
| Books and Supplies              | \$500.00           |
| Visa Application Fee            | \$45.00            |
| Miscellaneous*                  | \$1,200.00         |
| Room and Board**                | \$2,800.00         |
| Travel***                       | \$1,500.00         |
| <b>Tuition</b>                  | <b>\$5,000</b>     |
| <b>Estimated Total Per Term</b> | <b>\$11,045.00</b> |

UAC tuition schedule is based on full-time enrollment (12 – 17 credit hours in both Fall and Spring semesters).

Students who elect to enroll in more than 17 credit hours during the Fall or Spring semester will be charged an additional \$700 per credit hour above 17 credit hours without exception.

Students must enroll in a minimum of 12 UAC credits per semester.

\*Miscellaneous costs include things like medical expenses, clothing, haircuts, telephone, and other living costs.

\*\*Estimated Room & Board costs may vary based on room type selection.

\*\*\*Based on a round-trip flight between the US and Korea.

Please keep in mind that your individual program or coursework may have additional fees associated.

Costs subject to change. Rates from 2023-24.

# Housing

Communal kitchens

Private bathroom in each room

Quick walk to class

## DOUBLE ROOM

\$1,100 per semester

## SINGLE ROOM

\$1,600 per semester

Costs subject to change. Rates from 2023-24.

# Scholarships

The Office for  
Global Engagement  
awards over  
\$250,000 per year  
in scholarships  
to students who  
go abroad!

## OFFICE FOR GLOBAL ENGAGEMENT SCHOLARSHIPS

6 different scholarships.

Awards include merit-based, financial need, and photography scholarships, to name a few.

## GILMAN SCHOLARSHIP

National scholarship. Student must be Pell Grant eligible. Two deadlines per year—October & March.

## FREEMAN ASIA AWARD

Financial need-based, national scholarship. Must be studying in Asia for 3 or more months. Deadline is in March.

## FUND FOR EDUCATION ABROAD (FEA)

Preference for students with financial need &/or students from traditionally underrepresented groups in education abroad. Two deadlines per year—usually January & September.

# The Korea Society Scholarship

- Up to \$2,000 travel grant
- Application will open late April/early May
- Open to US students who will study in Korea for Fall 2024 or AY 24-25
