

### Request For Enrollment in Master's Project Credits (ECE 6950)

Term / Year	Credit Hours Requested
	<i>Up to 6 credits of ECE 6950 are permitted</i>
<b>Project Title:</b>	
<b>Project Description (Include topic, scope, and requirements for final project approval):</b>	
<b>What Electrical and Computer Engineering skills or concepts will be used?</b>	

☐ I will be working for the University of Utah    ☐ I will be working Off-Campus for: \_\_\_\_\_

☐ Is the project proprietary or confidential?

I accept the University guidelines that for every credit hour of ECE 6950, I am expected to spend 3 hours a week on this activity. I acknowledge that my supervisor determines the requirements and scope of this project, which may include a written report or an oral presentation. This is a special project of interest and will not include the material of any class taught by the ECE Department.

<b>Student Name</b>	<b>Signature</b>	<b>UNID</b>

I agree to provide the supervision for this activity and understand the University guidelines that for every credit hour of ECE 6950, the student will be expected to spend 3 hours a week on the activity. I am willing to commit to spending at least 50 minutes per week on this activity, either meeting with the student or in administrative activities, as needed. **Grading for this course is CR/NC.**
