Degree Requirements

- 30+ hours of graduate-level coursework (must meet coursework criteria)
 - Required courses completed
 - 18+ Advanced ECE Courses (6000- and above)
 - Up to 12 credit hours of 5000-7000 level allied courses will be accepted - see [MS Degree page](#) for a list of allied courses and departments.

Coursework Criteria

- A minimum GPA of 3.0 on coursework listed on the program of study
- No grade lower than C- on program of study.
- Students who receive an “Incomplete” grade in a class must complete the class by the following semester. Exceptions may be made for courses that cannot be retaken immediately.
- Coursework cannot be used for more than one degree
- Cross-listed courses should be registered through the ECE course numbers.
- A course taken for 5000-level credit cannot be taken again for 6000-level credit.
 - Where a course has both a 5000- and 6000-level section, the 5000-level version is intended for undergraduates, and the 6000-level version for honors and graduate students.

Students should be prepared to graduate the semester all degree requirements are completed.
