

Repeated Class Notification

The University of Utah • Office of the Registrar • 201 S 1460 E RM 250 N • Salt Lake City UT • 84112

A student may repeat a class taken previously at the University of Utah as long as the course is still offered.

I understand when repeating a class(es):

- The previous grade(s) will remain on my permanent academic record but will not be averaged in my GPA.
- The corrected GPA will be reflected on my transcript.
- If the classes taken have different course numbers, the department will be contacted to verify the equivalency.
- With approval from the department, which must accompany this form, it is possible to replace:
 - Math 1030 with 1050 or 1090 *Through Spring 2025
 - Math 1050 with 1030 or 1090 *Through Spring 2025
 - Math 1090 with 1030 or 1050 *Through Spring 2025
- Hours earned in a repeated class may be counted toward graduation only once.
- Classes repeated at other institutions may not be used to replace classes taken at the University of Utah.

Do not submit this form until you have received the new grade(s). The marks I (incomplete), NC (no credit), W (withdrawn), V (audit), or T (thesis or independent work in progress) **DO NOT** qualify for removal of previous grades.

Student Name: _____ Student ID #: _____

Class(es) originally taken:

Term/Year	Department	Catalog Number	Section	Grade

Repeated class(es):

Term/Year	Department	Catalog Number	Section	Grade

I request that only the last repeated class(es) grade and hours be used in the computation of my grade point average.
